Brixham Heritage Sailing Rally

Organised by the Brixham Heritage Regatta Committee

SAFETY

Responsibility for deciding whether to start sailing, or whether to continue sailing, lies solely with the skipper of the vessel – RRS fundamental Rule 4. No responsibility for the craft or crew entered in this rally is implied or accepted by the Rally Officer, or those representing Brixham Heritage Sailing, regardless of the conditions prevailing. By launching or going to sea, the skipper/owner confirms that the vessel is fit for those conditions in which it will find itself and that its crew is competent to sail and equipped to compete.

Nothing done by the organisers can reduce the complete and unlimited responsibility of the owner, or owner's representative for the boat, nor will it make the organisers responsible for any loss, damage, death or personal injury however it may have occurred as a result of the boat taking part in this event. "Organisers" encompass everyone helping to run the races in this event and include the organising authority, Regatta Committee, Rally Officer and patrol/mark boats.

Every entrant is required to hold adequate boat and third party insurance – minimum £2m.

The safety of a boat and her crew is the sole and inescapable responsibility of the owner, or owner's representative, who must do his or her best to ensure that the yacht is fully equipped, seaworthy and manned by an experienced crew, who have undergone appropriate training and are physically fit to face bad weather. He/she must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He/she must ensure that all safety equipment is properly maintained and stowed and that the crew know where it is kept and how it is to be used.

DATA PROTECTION

By completing and signing the entry form you are authorising the Regatta Committee to use your personal contact details for the sole purpose of managing the Brixham Heritage Rally and to maintain contact for future events. These details will not be provided to third parties. Information provided regarding your vessel and photographs taken during the event may be included on the Regatta website.
